

# Outdoor LED Flood Light – SFLED LINE

Designed for outdoor flood lighting applications. Using OSRAM GOLDEN DRAGON® LED and different specially designed lens to produce light beams of different angles.

### Key Features:

- OSRAM GOLDEN DRAGON® high-power 1W LED, using the latest Thinfilm/ ThinGaN technology
- Offering colors of white, blue, green, red, yellow and mixed colors.
- Combined with special designed high efficiency lens, produce light rays of 12°, 30° or 60°
- Extruded aluminum body ,excellent heat dissipation performance
- Sealed to IP65
- Power supply voltage :100-240VAC
- Combined with a DMX512 controller, it can produce spectrum up to 256 gray level for every color, providing a full color spectrum
- Suitable for wall washer or flood lighting application.

### Materials:

Body: Extruded aluminum  
Glass: Tempered glass

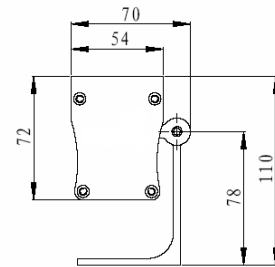

### Light Source:

OSRAM GOLDEN DRAGON

### Installation:

100-240VAC power supply, 3x1mm<sup>2</sup> rubber coated wire for output, rubber coated 2 cores twisted-pair shields cable for DMX512 signal input.

### Ordering Guide

Part No.	Length mm	LED Type	Description	Ordering code
LWW 1000 RGB GDS36 AC	1000	OSRAM Golden Dragon RGB	50W - 36 pcs OSRAM GOLDEN DRAGON high power LED into 12 groups, R G B. Combines with 12, 30 or 60 degree lens. Extruded aluminum body, integral constant current source, 100-240VAC power supply, DMX512 control input	10020201
LWW 660 RGB GDS24 AC	660	OSRAM Golden Dragon RGB	33W - 24pcs OSRAM GOLDEN DRAGON high power LED into 8 groups, R G B. Combines with 12, 30 or 60 degree lens. Extruded aluminum body, integral constant current source, 100-240VAC power supply, DMX512 control input	10021201

Part No.	Length mm	LED Type	Description	Ordering code
LWW 330 RGB GDS12 AC	330	OSRAM Golden Dragon RGB	17W - 12pcs OSRAM GOLDEN DRAGON high power LED into 4 groups, R G B. Combines with 12, 30 or 60 degree lens. Extruded aluminum body, integral constant current source, 100-240VAC power supply, DMX512 control input	10022201
LWW 1000 B GDS24 AC	1000	OSRAM Golden Dragon Blue	33W - 24pcs OSRAM GOLDEN DRAGON high power LED, Blue. Combine with 12, 30 or 60 degree lens. Extruded aluminum body, integral constant current source, 100-240VAC power supply, DMX512 control input option	10023201
LWW 660 B GDS16 AC	660	OSRAM Golden Dragon Blue	22W - 16pcs OSRAM GOLDEN DRAGON high power LED, Blue. Combine with 12, 30 or 60 degree lens. Extruded aluminum body, integral constant current source, 100-240VAC power supply, DMX512 control input	10024201
LWW 330 B GDS8 AC	330	OSRAM Golden Dragon Blue	11W - 8pcs OSRAM GOLDEN DRAGON high power LED, Blue. Combine with 12, 30 or 60 degree lens. Extruded aluminum body, integral constant current source, 100-240VAC power supply, DMX512 control input	10025201
LWW 1000 W GDS24 AC	1000	OSRAM Golden Dragon White	33W - 24pcs OSRAM GOLDEN DRAGON high power LED, White. Combine with 12, 30 or 60 degree lens. Extruded aluminum body, integral constant current source, 100-240VAC power supply, DMX512 control input option	10026201
LWW 660 W GDS16 AC	660	OSRAM Golden Dragon White	22W - 16pcs OSRAM GOLDEN DRAGON high power LED, White. Combine with 12, 30 or 60 degree lens. Extruded aluminum body, integral constant current source, 100-240VAC power supply, DMX512 control input	10027201
LWW 330 W GDS8 AC	330	OSRAM Golden Dragon White	11W - 8pcs OSRAM GOLDEN DRAGON high power LED, White. Combine with 12, 30 or 60 degree lens. Extruded aluminum body, integral constant current source, 100-240VAC power supply, DMX512 control input	10028201
LWW 1000 Y GDS24 AC	1000	OSRAM Golden Dragon Yellow	33W - 24pcs OSRAM GOLDEN DRAGON high power LED, Yellow. Combine with 12, 30 or 60 degree lens. Extruded aluminum body, integral constant current source, 100-240VAC power supply, DMX512 control input option	10029201
LWW 660 Y GDS16 AC	660	OSRAM Golden Dragon Yellow	22W - 16pcs OSRAM GOLDEN DRAGON high power LED, Yellow. Combine with 12, 30 or 60 degree lens. Extruded aluminum body, integral constant current source, 100-240VAC power supply, DMX512 control input	10030201
LWW 330 Y GDS8 AC	330	OSRAM Golden Dragon Yellow	11W - 8pcs OSRAM GOLDEN DRAGON high power LED, Yellow. Combine with 12, 30 or 60 degree lens. Extruded aluminum body, integral constant current source, 100-240VAC power supply, DMX512 control input	10031201
LWW 1000 R GDS24 AC	1000	OSRAM Golden Dragon Red	33W - 24pcs OSRAM GOLDEN DRAGON high power LED, Red. Combine with 12, 30 or 60 degree lens. Extruded aluminum body, integral constant current source, 100-240VAC power supply, DMX512 control input option	10032201
LWW 660 R GDS16 AC	660	OSRAM Golden Dragon Red	22W - 16pcs OSRAM GOLDEN DRAGON high power LED, Red. Combine with 12, 30 or 60 degree lens. Extruded aluminum body, integral constant current source, 100-240VAC power supply, DMX512 control input	10033201
LWW 330 R GDS8 AC	330	OSRAM Golden Dragon Red	11W - 8pcs OSRAM GOLDEN DRAGON high power LED, Red. Combine with 12, 30 or 60 degree lens. Extruded aluminum body, integral constant current source, 100-240VAC power supply, DMX512 control input	10034201
